PROFESSIONAL EXPERIENCE

THE GOODYEAR TIRE & RUBBER COMPANY - Akron, Ohio

Tire Manufacturing & Factory Accounting Systems

June 2000 - Present

Developed applications using COOL:Plex on both AS/400 client-server and Websyidian platforms. Instrumental in establishing department standards. Used Dreamweaver to design intranet web pages. Helped to train other programmers in COOL:Plex. Worked closely with the manufacturing plants to increase productivity and efficiency while reducing operating costs. Completed Computer Associates' Basics, Patterns, and Model Administration courses.

SPHERION – Akron, Ohio

Assigned to Shared Services at Goodyear

December 1999 – June 2000

Provided financial analysis of retail operations. Reconciled the Credit Department's general ledger accounts through the use of SAP and Excel spreadsheets. Configured and set up remote access computer systems.

THE UNIVERSITY OF AKRON – Akron, Ohio

Assistantship, Computer Lab

August 1998- December 1999

Responsible for day to day operations of the College of Business Administration's student computer facilities. Upgraded the student and teaching labs' hardware and software. Provided computer support to facility and students.

Other Work Experience

City of Akron: Department of Planning and Urban Development (1998-1999)

The Goodyear Tire & Rubber Company: Grounds Maintenance (1995-1998)
